MEMBER INFORMATION - SEPTEMBER 2022 EVENTS IN 2022 [LINK TO THE ANNUAL PROGRAMS](#)

Dear chess friend

After a great summer we are already in autumn. In the second half of the year there are various ways to play, which I would like to explain below. The focus of activities in the second half of the year are the appearances of both teams in the team competitions of the SMM (two rounds to go). The NMM starts in November and the Club Championship (two rounds to go). We are also looking forward to the friendlies against Therwil and UBS.

Situation of the club venue: First an update on the venue, the situation is still unsatisfactory. The sports club restaurant was renovated and handed over to a new operator. Unfortunately, the opening times are not adapted to our needs, the restaurant closes at 5 p.m. We aim to be able to use the restaurant meeting room when the restaurant is not open, but this is currently not possible. The situation will probably take quite some time to be clarified, so we have to limit ourselves to playing chess in the clubhouse for the time being.

Section meeting of Chess Club Novartis on Thursday, October 06, 2022

New on Thursday, October 6th, the meeting was originally planned for the beginning of September. In addition to looking back at the past year of the association, the focus of the meeting is a determination of where you stand, elections and the outlook for the new year of the association. It is the opportunity to talk about your concerns. After the seriousness of the AGM there will certainly be plenty of opportunity to play chess.

⇒ **No registration necessary, please reserve the date - we look forward to active participation.**

Team competitions (SMM & NMM)

We are currently playing in the SMM (Swiss Team Championship) with 2 teams. Novartis 1 (Captain Bernhard Erb) plays in the third division and the Novartis 2 team plays in the fourth division (Captain Reiner Grabowski). The new season of the NMM (Northwest Swiss Team Championship) begins in the week of November 7th. We are participating in this competition with 2 teams, one team is playing in the 2nd league and the other in the 3rd league.

Friendly game with / against Chess Club Therwil, date Thursday, November 10, 2022

We do host the annual friendly match with the Therwil chess club, but we will be playing in Therwil as our venue is unavailable. As usual, 2 games of 25 minutes each are played without notation. In between, we treat ourselves to a small “apéro” and toast our friendship with the players from Therwil.

⇒ **Please enter the date in the agenda and let me know by e-mail that you can play.**

Friendly game with / against chess club UBS Zurich, date Saturday, November 26, 2022

We are invited by the chess club UBS Zurich. We play in a hall of the restaurant “Weisser Wind” in Niederdorf. The tournament begins as usual at 2:00 p.m. with the chess game (time from 36 moves in 1.5 hours and 1/2 hours for the rest). Afterwards we cultivate the friendship from 6:00 p.m. with a glass and eat together later.

The restaurant is very nicely located in the old town and is also quite old itself. It can be reached on foot in about 15 minutes from both the main station and the Stadelhofen train station. There are also trams, then it's even closer

We can use every player and are happy if you register.

⇒ **Please enter the date in the agenda and let me know by e-mail that you can play.**
